

Every girl can be a SciGirl!

Become a SciGirl in Seven Easy Steps!

1. Log on to pbskids.org/scigirls and register.
2. Make up your own username. SciGirls puts online safety first, so *no real names allowed*.
3. Design your own profile page and avatar.
4. Click on Projects to see what other SciGirls are up to. You can vote for your favorites!
5. Now it's your turn: Click on Submit a Project. Fill in the form with the details of your project, experiment or field trip.
6. Upload pictures of yourself and your project, and send us a signed copy of the release form on the back of this page.
7. Tell your friends to watch for your project on SciGirls, and invite them to be SciGirls, too!

SciGirls is produced for PBS by **tpt** National Productions and is made possible by the National Science Foundation. Additional support by ExxonMobil.
